### FOIA Request from Ewald's counsel (March 24<sup>th</sup>) :

The purpose of this letter is to request, pursuant to the provisions of the Freedom of Information Act, copies of any and all statements, notes, photographs, memoranda, supporting depositions and investigations with regard to the Environmental Protection Agency's investigation of the loss that occurred on April 5, 2016, at the Ewald's home located at 3249 Greenleafe Drive, Phoenix, New York 13135. We shall be happy to reimburse you for copying costs incurred.

### Inventories (Ewald residence):

Attached are a few relevant doc.'s:

- The EXCEL spreadsheet Inventory dated September 2016 was provided to the Ewalds in September. See email below.
- The EXCEL spreadsheet Inventory dated October 2016 was included in EPA's Reimbursement Package; I believe I edited the headings but substantively they should be the same. I believe both were created by TC Inventory Services LLC working with EPA's contractor.
- The 'Ewald Spreadsheet' discusses the costs EPA incurred specifically at their residence.

### Statements/Notes/Memoranda:

- Pollution Reports – 1 pollution report, attached.
- Action Memorandum, dated November 2016. Attached. Note: the Enforcement Addendum is confidential and not attached.
- The Ewalds have the Reimbursement Settlement Agreement.
- Notes/emails of issue?

### Investigations:

- Sampling data on EWALD residence? Contractor/OSC?

### Photos:

- I don't have any. NYSDDEC took some photos of the driveway but I don't have those. I assume our contractors or the appraiser took photos of the items that were sampled &/or discarded?

### Depositions:

- None.

**Subject:** RE: Greenleafe\_Inventories

FYI-  
Here are the inventories are contractor pulled together.  
The \$50k one is for the specific EPA response costs spent at your home.  
The other one is for the contaminated personal items at issue. This is the one that will be attached to the 1 page agreement.  
I'm hopeful we can email you the doc's tomorrow & then we can push this through on our end.  
Best,  
Marla (& Cris)
